This is an exclusive behind the scenes look into what goes on at a PGA Tour event. Here are a few things we will be doing: Sit in on a player interview in the media room, get “inside the ropes” on the driving range to watch the players up close, get a first-hand understanding of the tour’s *Shotlink* technology and how it works. We will also go see the scariest hole in golf, #17 Alcatraz and give the participants a view of what the players see. A private bus provided by the PGA Tour’s Desert Classic will be transporting your student to and from the tournament site and will be under paid and volunteer staff supervision the entire time. **Participants must be age 7 or older. To sign up please call the Golf Shop at 760-779-1877 or online at www.myrecreationdistrict.com.**
