

Calling ALL JUNIORS AND VOLUNTEERS!!!! **PGA Tour Desert Classic- Standard Bearers**

January 17th-20th

To all participants age 12 and up, once again, we have a great opportunity to participate as standard bearers for the Desert Classic PGA Tour Event formerly known as The Career Builder Challenge.

This year we have a BIG task to fulfill. We are filling the host course with standard bearers. That would be around 30-35 participants per day (Thursday, Friday, Saturday and Sunday).

This year we are also opening this event up to any other junior from your school, Church or other youth organization that would like to represent us, The First Tee of the Coachella Valley. If you have a friend(s) ask them to come enjoy this great experience. You may participate in 1-4 days for the tournament. Remember if you make a commitment to participate please fulfill your duty.
